Penguin Books, United States, 2014. Paperback. Book Condition: New. 202 x 134 mm. Language: English . Brand New Book. Rogers made history. Sports Illustrated Robbie Rogers knows better than most that keeping secrets can crush you. But for much of his life Robbie lived in paralyzing fear that sharing his big secret would cost him the love of his family and his career as a professional soccer player. So he never told anyone what was destroying his soul, both on and off the field. While the world around Robbie was changing with breathtaking speed, he knew that for a gay man playing a professional team sport it might as well be 1958. He could be a professional soccer player. Or he could be an out gay man. He couldn't do both. Then last year, at the age of twenty-five and after nearly stepping away from a brilliant career one that included an NCAA Championship, winning the MLS Cup, and competing in the Olympics he chose to tell the truth. But instead of facing the rejection he feared, he was embraced by his family, by his teammates, and his fans. In *Coming Out to Play*, Robbie takes readers on his incredible journey from terrified teenager to a trailblazing out and proud professional soccer player for the L.A. Galaxy, who has embraced his new identity as a role model and champion for those still struggling with the secrets that keep them from living their dreams.
