In this charming pull-the-tabs book, preschool children are invited to join Chick Pea and his bluebird friend Sweet Pea as they learn about the changing seasons. Four two-page spreads illustrate the four seasons, showing how an apple tree changes its appearance in response to the passing months of each year. Tabs on every right-hand page are for boys and girls to pull out, presenting them with a different view of the apple tree, as its appearance is transformed from the early to the late weeks of each season. Fall s vivid hues, winter s snowflakes, spring s apple blossoms, and summer s leafy, fruit-laden branches are presented progressively, with appropriate colors for each season.
