Not illustrated. 1911 Excerpt: .particular subject, taken in connection with what had preceded, and the instruction and admonition of the judge, they by no means, in our judgment, establish a clear case of abuse of discretion, or the violation of any legal principle, in allowing the witness to testify. Older and wiser persons might have failed to answer these same questions, without creating such imputation upon their intelligence, or proper application of the nature and obligations of an oath, as would exclude them as witnesses. Neither in form nor substance are they calculated to probe the conscience of such a witness, and to ascertain her competency in reference to the nature of an oath as a religious obligation and solemn appeal to God, that is the principal subject of inquiry when an examination of this character is made. (1 Phillips on Evidence, 12; 1 Wharton on Law of Evidence,...
