WestBow Press, United States, 2011. Paperback. Book Condition: New. 211 x 135 mm. Language: English . Brand New Book ***** Print on Demand *****.Bo Lange s Simple Faith offers a look at the Christian Faith as represented solely in the Bible. The author states that his book is not one about Christian religion but about having confidence in the Bible as being God s word. His concern over how religion and secularism is dominating our culture led him to write this book to reintroduce the Bible to readers. Simple Faith stands apart from other books in that it breaks down all the arguments about Christianity to the most basic yet powerful aspects of the Christian faith. The author reveals God s love for humanity and how Christ brings salvation to us. Most impressively, he reveals the prophecies that verify that Jesus Christ was the Messiah, and he provides supporting evidence that the Bible is the authentic Word of God, historically and scientifically true in its statements-and it will prove itself true again when its prophecies about the future are fulfilled. In Simple Faith, you will rediscover the Christian faith that inspired the early Christians, that changed the world they knew, and still has the power to change the world today.
