Motilal Banarsidass Publishers Pvt. Ltd., New Delhi, India. Softcover. Book Condition: New. The entirety of the Buddhist mindstream, including all schools of its thought, have directly or implicitly dealt with the subject of time as a casual factor in perpetuating suffering and emphasised the need to bring about a change in the mindstream to end psychological time. J. Krishnamurti, in all his teachings, has always talked of the urgency in attending to and coming upon an understanding of time as the core element of the factor of thought and has tried to make one come upon a perception of time on the element of ignorance. In that there is a fundamental shift from a movement within the method approach to an approach which consists of all methods to be hazardous. The present work is based upon an actual meditative processing of the author's memory recall, and will be of use to others in keeping a watch, attending to what their mind perceives and reaching out to an understanding of the mischief of thought in perpetuating the delusion of 'I'.
