Random House USA Inc. Paperback / softback. Book Condition: new. BRAND NEW, Lord John and the Private Matter, Diana Gabaldon, The year is 1757. On a clear morning in mid-June, Lord John Grey emerges from London's Beefsteak Club, his mind in turmoil. A nobleman and a high-ranking officer in His Majesty's army, Grey has just witnessed something shocking. But his efforts to avoid a scandal that might destroy his family are interrupted by something still more urgent: The Crown appoints him to investigate the brutal murder of a comrade-in-arms who may have been a traitor. Obligated to pursue two inquiries at once, Major Grey finds himself ensnared in a web of treachery and betrayal that touches every stratum of English society--and threatens all he holds dear. From the bawdy houses of London's night world to the stately drawing rooms of the nobility, Lord John pursues the elusive trails of a vanishing footman and a woman in green velvet, who may hold the key to everything--or nothing.
