Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Juliet Mertz)

THE MEMORY KEEPERS

Hot Key Books. Paperback. Book Condition: new. BRAND NEW, The Memory Keepers, Natasha Ngan, When you're chasing memories to survive, it's better to leave the past behind .Seven is a thief with a difference - he steals downloadable memories from banks and memoriums to sell onto London's black market, trading secrets and hidden pasts for a chance at a future of his own. He makes sure he keeps some special stuff back to 'surf' himself though - it's the only real form of entertainment he can afford. But one night, as Seven is breaking into a private memorium in a wealthy part of London, he is caught in the act by one of its residents: Alba, the teenage daughter of London's most famous criminal prosecutor. Instead of giving him away, Alba promises to keep Seven's secret - as long as he allows her to go memory-surfing herself. In doing so, they discover a hidden memory about Seven's past, revealing a shocking secret about his childhood, the government and a mysterious experiment known as The Memory Keepers .Now Seven and Alba will have to race against time to unlock the maze of The Memory Keepers - but can they keep themselves out of harm's way before the London Guard - and Alba's father - catches up with them?.
