Being a preachers daughter can be a burden all by itself without knowing your father just considers you a means to an end-to glorify Reverend Rosser s name under the guise of doing God s work. With physical disabilities tragically brought about by her father s bad decisions, Faith feels she has no other options for her life than to continue doing her father s bidding. It takes a foreign country, good people, and a loving, rich but humble man to lift Faith s spirit to be able to accept a shocking revelation about her past and to finally live her life for herself as every adult should.
