The Sacred-Driven Couple, is a Christian-centered approach designed to help couples who desire more from their relationships. It helps individuals to rediscover and deepen the spiritual persons inside themselves. With over four million people getting married each year in this country alone, and over half of those ending in divorce before the 7-year point, there is a need to go back basics. Each chapter reveals a sacred secret, one to be shared exclusively between that couple. The author also carefully integrates his own personal relationship struggles to help those facing similar situations implement a simple, but profound, step-by-step plan to increase the vitality in all of your relationships, especially the one with God. He describes spiritual intimacy and tells you how to acquire that level of oneness in your own relationships. After reading this book and implementing the basic plan it describes, you too will say: You are not living until you are sacred-driven!
