By Jim Riley

Createspace, United States, 2010. Paperback. Book Condition: New. Stephanie Fulgione (illustrator). 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.From the film, National Treasure: There are 20 million books in the Library of Congress, and they all say the same thing: Listen to Riley! In college I was Editor of the literary magazine and received a national award for young writers. I m also a classically trained musician, Concertmaster in high school, all-State, and at my university. After a time in popular music I returned to my roots. My current project is original Renaissance-styles scores for ballet and dance. I have learned, painfully at times, that our minds alone can t guide us well. Joined by our hearts they may. Only where the sentiment of love and the power of reason intersect do we have the opportunity to appreciate the most profound truths of the human condition. For those of us in that minority whose lives are dedicated journeys toward the light, our progress can start slowly, like locomotives drawing heavy freight. Eventually we may pick up steam. With luck we ll reach destination. In my case, perhaps not yours, I liken the goal...

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).
