

Growth

By Jeff Jacobson

Kensington Publishing, United States, 2014. Paperback. Book Condition: New. 163 x 107 mm. Language: English . Brand New Book. A talent with an amazing ability to astonish. --David Morrell This Time The Enemy Is Inside You Corn is America's grain and the very stuff of life. Now, scientists have created a genetically modified strain that repels all pests. It also unknowingly contains the DNA of a rare species of fungus that is invasive, virulently infectious, and very deadly. First, the fungus eats through your skin. Then, growths appear on your body, sprouting like hideously malignant mushrooms. Finally, the skin cracks and splits, releasing countless spores into the air. First you die--but the worst is still to come--the fungus uses your body. To kill. In a desperate attempt to check the invasion, millions of acres of cornfields have been burned down. But the epidemic has a relentless life of its own--and it will not be stopped. In the small town of Sutter Creek, Illinois, a container of corn seeds has been planted--and a new strain of nightmare has been unleashed. This year's crop won't taste like any other. This year's crop will eat you alive. And Sutter...

Reviews

It is one of the most popular publications. It really is written in easy words and not difficult to understand. You are going to like how the author writes this book.

-- **Prof. Evans Balistreri DDS**

Completely essential go through book. This is for all who state there had not been a worthy of reading through. It is extremely difficult to leave it before concluding, once you begin to read the book.
