Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from A Commercial Geography of the British Empire In preparing the following pages, an endeavour has been made to supply information useful alike to the student and the general reader. The ramifications of the subject are too extensive to be adequately treated within the limits of one small volume, and much of the matter, therefore, is intended to be simply suggestive. There is scarcely any limit to the means of supplementing the information given. Such publications as The Statesman s Year Book, Whitaker s Almanac, and the Board of Trade Journal are invaluable in affording reliable statistics. The various colonial year books, and the periodical reports issued by the Colonial Office, contain much that is interesting and instructive; but the earnest student must remember that the daily press almost unfailingly marks the never-ceasing changes that constantly affect the markets of the world.
