What French Women Know

By Debra Ollivier

Paperback. Book Condition: New. Not Signed; Have you ever wondered how French women live life on their own terms? They seem to have conquered the modern world, with all its pressures and conflicting signals, while many of us elsewhere are struggling to balance love, sex, work and family. What French Women Know about Love, Sex and Other Matters of Heart and Mind, by Debra Ollivier, debunks long-standing myths about French women, and lets us in on the ways they have learned to take life as they want to live it. Going beyond the cliches of Gallic glamour, Ollivier looks at the guiding principles that play out in the French woman's world to challenge our own cherished notions about body politics, seduction and flirtation; sex and love; dating and marriage; motherhood and raising children. With fresh guiding metaphors from French sexperts, authors, actors and more, What French Women Know will reframe your cultural prejudices, providing more realistic and life-affirming alternatives from a culture that loves to love - and has been doing so for centuries. book.
