Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, altered the way I believe.

Blessed with a voice that invokes awe and wonder, Laura Turner has inspired thousands with her music. Laura had previously released Soul Deep a critically acclaimed album on Curb Records, and has recently been in the recording studio, recording 4 new songs for a Christmas EP with Grammy award winning song writer and producer Keith Thomas. Laura s 4 song Christmas CD, simply entitled Laura Turner-Christmas, features Voice of Heaven, Come As You Are, Mary, Sweet Mary and The Lord s Prayer. The CD will be accompany the book. Laura s new songs, Voice of Heaven and Arms of Love are currently enjoying major success and can both be viewed on You Tube. Laura s heart warming book, A Christmas To Remember is based on a true story from her childhood Christmases and Laura was inspired to write this book because she found it disturbing that her children were constantly being bombarded with the distracting message of Santa, gifts and the material consumption that the Christmas season encouraged. A Christmas to Remember creates the moment to draw away with family from the superficial message and prefers to focus on the importance of family togetherness and the truth of God s mercy, protection, and love - the true meaning of Christmas. Laura resides in Jackson Hole, Wyoming with her family and loves to ride horses and hike during the summer, and cross country ski in the winter, when the snow is gently falling.
