Public Authorities and Public Policy: The Business of Government

By -

Greenwood Press. Hardcover. Book Condition: New. Hardcover. 216 pages. Dimensions: 9.2in. x 6.1in. x 0.5in. Public authorities are an increasingly important form of government in the United States. Every year, various public policies are entrusted to public authorities for implementation in the manner of a private firm but for the public interest. This edited collection presents an in-depth examination of the theory and practice of public authority administration and the current issues confronting public authorities in general. Cases are provided to invite discussion about the uses of authorities in different policy areas. The book begins with an introduction that reviews the premises that underlie the public authority concept and describes the policy activities and administrative organization of authorities. The first section of the book focuses on the external and internal techniques used to hold authorities accountable. The second section describes various financial issues relevant to authorities, highlighting ways to improve the security of bonds and providing cases showing how corporate subsidiaries are used to finance projects. The third section explores innovative uses of authorities in the areas of economic development, low-income housing creation, social problem-solving, and hazardous waste disposal. The final section considers the impact of public authorities, using economic impact...

Reviews

The ideal ebook i possibly study. Better then never, though i am quite late in start reading this one. It is extremely difficult to leave it before concluding, once you begin to read the book.
