Reviews

This book will not be simple to get going on reading but extremely exciting to read through. Yes, it can be play, still an interesting and amazing literature. I am very easily could possibly get a delight of reading a written book.

(Rene Olson)

RACING WHILE BLACK: HOW AN AFRICAN-AMERICAN STOCK CAR TEAM MADE ITS MARK ON NASCAR

Seven Stories Press,U.S. Hardback. Book Condition: new. BRAND NEW, Racing While Black: How an African-American Stock Car Team Made Its Mark on NASCAR, Leonard Miller, Andrew Simon, "Miller throws the restrictor plate away for this race. He takes you to the red line."--Bobby Gerhart, five-time winner of the ARCA Daytona 200 Starting a NASCAR team is hard work. Starting a NASCAR team as an African American is even harder. These are just a few of the lessons learned by Leonard T. Miller during his decade and a half of running an auto racing program. Fueled by more than the desire to win, Miller made it his goal to create opportunities for black drivers in the vastly white, Southern world of NASCAR. His forthcoming book chronicles the travails of selling marketing plans to skeptics and scraping by on the thinnest of budgets, as well as the triumphs of speeding to victory and changing the way racing fans view skin color. With his father--former drag racer and longtime team owner Leonard W. Miller--along for the ride, Miller journeys from the short tracks of the Carolinas to the boardrooms of the "Big Three" automakers to find out that his toughest race may be winning over the human race. Leonard T. Miller is a second-generation African American auto racing team owner. He has fielded teams in NASCAR and open-wheel racing. Andrew Simon is a senior editor at ESPN The Magazine. His writing has appeared in The Rolling Stone Encyclopedia of Rock & Roll, VIBE, and Complex.
