BRAND NEW, The Law Killers: True Crime from Dundee, Alexander McGregor, True crime from Dundee, covering the most fascinating and chilling cases from the last century Every town has its monsters. But only when their rage explodes and unspeakable crimes are committed do we realise we hold them in our midst. One thing is for certain, homicide comes in many guises - the only thing most have in common is a corpse. In The Law Killers, journalist Alexander McGregor examines some of the people and deeds, which have terrorised Dundonian communities. Having reported on many of them first-hand, he has unique insight into the cases and they are as chilling as they are compelling. The thirteen-year-old who was almost as much a victim as the child she killed. The trail of slaughter that started with a break-in and ended hundreds of miles away after an escaped convict killed again.and again and again. The unsolved murder of the wealthy spinster who led a secret life. The trail of dead women in the life of a social worker who thought he could outwit the police.and nearly did.
