E-TEXTILES

Cherry Lake Publishing, United States, 2013. Paperback. Book Condition: New. 236 x 180 mm. Language: English . Brand New Book. Computers and electronic technology have gotten so small and portable that they can be woven into the fabric we wear. Readers will discover new processes, integrate visual information with text, and learn technical word meanings as they find out how makers are creating interesting new inventions from e-textiles. They will also discover how to make their own e-textile devices with...

Reviews

It is an incredible ebook which i actually have at any time read through. Better then never, though i am quite late in start reading this one. Once you begin to read the book, it is extremely difficult to leave it before concluding.
-- Josie Satterfield

It in a single of my personal favorite ebook. Better then never, though i am quite late in start reading this one. I am effortlessly will get a satisfaction of reading a published ebook.
-- Ms. Lavada Krajcik
