Brand New Book ***** Print on Demand *****.In a brazen act, Wall Street billionaire Max Heller s wife is kidnapped in broad daylight. Although the original ransom demand calls for the payment of only ten million dollars, it soon increases when the kidnappers decide to extort more money from an increasingly irate billionaire whose motivation for securing his wife s freedom is called into question. After Mrs. Heller has been released, law enforcement officials suspect that the wealthy Wall Street financier may have played a role in his wife s kidnapping. As the police and FBI pursue dual investigations, it becomes apparent that the billionaire has ulterior motives, with wealth preservation his principal concern and sex a close second. With the FBI increasingly suspicious of Max Heller, the feds learn that he may have engaged in various criminal offenses. Despite steadfast denials that he has done nothing illegal, the billionaire is suspected of criminal behavior that could send him to prison if found guilty. As his lawyers attempt to defend him, an embattled Max Heller finds himself in an uphill battle with the Department of Justice, the IRS, and his wife and mistress. In a riveting story of unimaginable greed and unspeakable acts of betrayal, the author will keep the reader guessing as to its shocking outcome.
