## THE WISDOM OF FOOLS

Tate Publishing. Paperback. Book Condition: New. Perfect Paperback. 124 pages. Dimensions: 8.1in. x 5.2in. x 0.4in. Somewhere in the last fifty years, something has caused a drastic shift in our culture. Society is rampant with teen suicides, gangs, and pregnancies; child molestation, pornography, and abandonment; and lazy adults who live off taxpayer money. Isaiah 22 reprimands those who follow the maxim, Eat, drink, and be merry, for tomorrow we die, yet that is the mentality of today's society. So what changed? Could it be that in the last fifty years laws have been passed to remove creationism from textbooks and replace it with the theory of evolution, remove prayer from schools, and most recently reject intelligent design as a scientific theory? Despite the law prohibiting litigation supporting one religion over the other, that's exactly what the government has done. They've manipulated public school curriculum to support a new type of religion that author R. Lewis Durst calls The Wisdom of Fools—a religion that purports there is no Creator and, therefore, no reason to consider morality. Durst challenges you to take back your public schools from those who would seek to twist this nation's fundamental beliefs and replace those beliefs with this vain philosophy. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Perfect Paperback.
