Be a good girl and come over here and I ll make it worth your while. It s an offer NYC college student Katerina Mills should refuse. But how can she? A desperate situation. After ditching her cheating lover (and boss), she s stuck in dead end temp jobs. Her dad just ditched her mom and his promise to pay Kat s college tuition bill. She has two weeks to come up with \$14,000 or she s out of her apartment, out of school, and out of luck. A dangerous world. Katerina falls into a job as a fixer for New York City s wealthy and privileged men. They have problems they need fixed, quick and on the QT, and they re willing to pay. The rules are simple: collect the money, use your contacts, fix the problem. Kat s first job is easy: tail a shopaholic socialite wife. But who s tailing Kat? Kat s second job is not so easy: steal a VHS tape hidden in an antique chest. She can t do it alone. To be a thief, she needs a thief: handsome, reclusive Alexander Winter to be exact. Kat soon learns the real rules for a fixer: there are no rules, there are no refunds. Get in. Get results. Get gone. As every step brings her closer to her goal and closer to danger, there s one rule left for Katerina Mills to learn: once you re in, there s no getting out.
