In this book, Bridget Mary Meehan shares treasured memories from her life story and from her journey to priesthood. In a church and a world where women are second-class citizens because of their gender, women priests are rocking the Catholic Church to its foundations as they share women's experiences and claim women's power as spiritual equals, breaking the stained glass ceiling. Bridget Mary writes: I believe that on a deep spiritual, mystical level women priests are beginning a healing process of centuries-old deep misogyny in which spiritual power was invested exclusively in men. We are visible reminders that women are equal images of God, and therefore are worthy to preside at the altar. In inclusive grassroots communities Roman Catholic Women Priests are moving the church toward partnership in a Christ-centered, Spirit-empowered community of equals. For some, like the Catholic hierarchy, women priests are a revolution. For millions of people the time has come for a holy shakeup that will bring new life, creativity and justice to the church and beyond. ABOUT THE AUTHOR Dr. Bridget...
