Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Eight year old James Peartree discovers that the idea of growing up is a hoax. Nobody grows up. It s just a big lie used to control kids and keep them from driving cars, staying up late, and doing what they want. And James and his friends aren t gonna take it anymore. They learn of a distant magical land where kids drive cars, fly aircraft, and hold public office. So they escape to find this land. * Chapter 1 I must ask, before I begin, that you not tell this story to anyone. I don t want them to come after you. There may be some danger involved. Because in the world we live in, one must never discuss the Great Big Secret. If you did, the first thing they d do is deny it. Yes; if you went out and asked people they d all say it isn t true. Well, dear reader, I m here to tell you that it is. And, in fact, there have been a few who have figured it out. Brave souls who have dared to think for themselves. To challenge the things they had been taught. This is the story of one of them. James Peartree is his name. He discovered the Secret completely by accident. He was just a young boy living in the city of Sunnyapolis. You ve never heard of Sunnyapolis, have you? I know you haven t. Because the city of Sunnyapolis no longer exists. It was shut down, and all its inhabitants were moved to other cities. You cannot find any records of it. All documentation was destroyed so that the world would never again...
