Language: English Brand New Book ***** Print on Demand *****.Alice in Genderland is the first ever memoir by a crossdresser who is not content to live behind closed doors--and who takes it much further than his straighter, more circumspect peers might ever care to go. Most of the time, Harvard-educated psychiatrist Richard Novic is Rick, a man at the office or a husband and father at home. But one night a week, he is Alice, a woman about town, shopping, dining, dancing, and dating a man for nearly a decade. In contrast to the life he leads today, Rick Novic suffered since his sporty, nerdy boyhood with a secret, a desire he was in no way equipped to handle, but one that eventually burst through his denial, a few months before his wedding day. Just once, he felt, while he still could, he had to know how it felt to be a woman. Like Alice in Wonderland, his curiosity led him to fall headlong down a rabbit hole, through desperate straits, mind-opening surprises, heart-rending changes, gritty sex, and boundless love. By the time he was back on his feet, he was a different person, living a lifestyle he hadn't known existed. Anyone who has struggled to figure out who they are and how they want to live will surely appreciate this informative and engaging life story.
