## Advanced Database Projects in Access (3rd Revised edition)

By Ian Rendell, Julian Mott

Hodder Education. Paperback. Book Condition: new. BRAND NEW, Advanced Database Projects in Access (3rd Revised edition), Ian Rendell, Julian Mott, This third edition of the best selling text Database Projects in Access features a new colour design and updated project advice that covers the requirements of the Applied A level specifications as well as AQA's ICT A level course. This book is aimed at a number of Advanced courses of study within the National Qualifications Framework currently available in schools and colleges, supported by AQA, OCR, Edexcel and WJEC. Advanced Database Projects in Access TM has been comprehensively revised and extended to cover the requirements of all GCE Applied A and AS Level ICT database units, in addition to the coursework requirements of A and AS Levels in both ICT and Computing, and the database requirements of the IT Specialised Diploma. The materials and approach used in the book should also be applicable to students on many courses in further and higher education where a study of databases through Microsoft Access TM is necessary. Microsoft Access TM is a popular choice of relational database software, allowing students to develop and customise systems for a real user. This book covers everything...
