They buried the old couple, drove back to civilization, then flew home to California, all the while keeping the secret of what had happened out in the desert. Soon after people around Rick start dying. First strangers, then Ann, then friends. And somebody has made it look like Rick is a murderer. To save himself and a child he loves, he has to find the real killer before the police find him, but there is something after Rick. Something connected with the death of two old Aborigines.
