Brand New Book ***** Print on Demand *****.Excerpt from Anthology It is a true fact that nine-tenths of the human race either are not intelligent enough to know, or fail to wake-up to the great fact of life - personality. When they do wake-up on the right side, they perceive that the most important person in the world is not the King, or the Pope, or the Prime Minister, or any Officer of State or Church, or the Nobility or anybody else, but just - self. Some may say but this is no more than a swelled-head. But it is not - rightly understood. It is quite true. Listen! No one ever will think so much of you as you will; no one is so interested in you as yourself; and your own estimation must be appreciated at its true value. Whatever you most desire you can have, for in the development of your ability, your desires will frame themselves within measurable size, and with a correct understanding of your desires will come a realisation of your power to obtain things. Honour, power, riches,...

Totally one of the better pdf I have at any time read through. It really is simplified but shocks within the 50 % from the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.
