By Paul Warburg

Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Are you worried about how you're going to pay for college? Are you or your child about to spend four years pursuing a Bachelor's degree? Read this book first and learn how you can graduate college in one year without going into debt! One and Done will save you up to \$150,000 on your college degree. That's nowhere close to an exaggeration - in fact, it's reality. How? As you begin your college journey, the most important factors to consider are probably the ones that hadn't even crossed your mind. You (or your child) are probably about to spend four years in pursuit of a degree, but you haven't even thought about the possibility of it being completed in one. You think you're getting a great deal by getting an education that will open countless doors, but you have no clue that in this process the average American overspends by at least \$65,000 - and you're one of them! As an average student, you're probably perfectly...
