Reviews

It is really an incredible publication which i actually have possibly read through. It really is writter in easy phrases and not confusing. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Jodie Wehner)

Atlantic Books. Paperback. Book Condition: new. BRAND NEW, Appaloosa, Robert B. Parker, New Mexico Territory, 1882: two itinerant lawmen walk their horses down the long, shale-scattered slope into the frontier town of Appaloosa. Below them, lies rancher Randall Braggs' new fiefdom. Ever since he gunned down Appaloosa's marshal, Braggs and his men have owned the town, stealing, beating, murdering with impunity - living off it like coyotes feeding off a dead buffalo carcass. Summoned by Appaloosa's oppressed aldermen, Virgil Cole and Everett Hitch are here to restore the rule of law. They've done it before, they know what to do only too well: shoot quick, shoot clean, reload. But they aren't the only new arrivals in town. The enigmatic Mrs Allison French has stepped off the train with only a dollar to her name, a keen sense of survival and a good eye for a strong man. Finding one isn't going to be a problem - Appaloosa is full of them: Cole, Bragg, Hitch. The problem is that Allie French isn't afraid to hedge her bets - and that Virgil Cole's heart isn't as steady as his gun hand. Appaloosa is an intelligent, emotionally profound novel, told in bone-clean prose wryly leavened with whip-sharp dialogue. It's deeply satisfying on four levels: one, it's a well-told historical adventure and a modern re-interpretation of a classic theme; two, it's an ode to unassailable friendship; three, it's a subtle love story between two profoundly flawed people; and four, the way Parker writes, you'd swear the pages turn themselves.
