HopeRoad Publishing Ltd. Paperback. Book Condition: new. BRAND NEW, The Silent Striker, Pete Kalu, Marcus is the best player on his soccer team--a graceful, fluid force who can dominate the pitch. He's good enough, in fact, that there are rumours that he is being scouted by the best football team ever. A brilliantly realized young adult novel, "The Silent Striker" is moving, funny, and uplifting. It tells the story of what happens when Marcus starts to lose his hearing--and with it, it seems, his whole world. Troubled by his developing disability, he finds himself unable to concentrate on the game and increasingly isolated from his friends and family--but is that isolation real, or is it the result of his own behavior? As he confronts not only his hearing loss, but the problems with his family, friends, and girlfriend Marcus grows to understand that in life as in soccer, accepting the help of others is essential.
